We only know what we are told, and that is little enough.

*For all anyone knows nothing is true.
Everything has to be taken on trust;
truth is only that which is taken to
be true. It's the currency of living.
There may be nothing behind it, but
it doesn't make any difference so
long as it is honoured.*

—Tom Stoppard

They are not long, the days of wine and roses:

*Out of a misty dream
Our path emerges for a while, then closes
Within a dream*
—Ernest Dowson

Life is neither good nor bad; it is a reflecting of what you show it. Since it is our duty to mirror the life we see, accept our gift as we see you—we.

Hope, Excitement, Frustration Begin The Year

Anyone who has survived the first few days of school can look back and see nothing but lines. Lines of groggy students meeting early registration appointments, and lines of worried people waiting to pull class cards. Lines of impatient people trying to go through activities fair without blowing their first month's allowance, and lines of devoted workers trying to sign them up for activities. Lines of textbooks waiting to be taken home and opened periodically through the semester, and lines of students depleting checkbooks to the sound of ringing cash registers. Even sorority and fraternity rush can be recalled as lines of smiling faces, becoming jumbled in the confusion of choosing a favorite house. Finally the lines diminish and the frustration ends as the year moves into full swing once again.

For the first time Bradley University sponsored a Black Culture Week. The students were given the opportunity to see various aspects of black culture that exist today. Throughout the week black students sponsored such things as an art display, a black protest play, Afro dancers, and guest speakers such as Muhammad Ali. The week was to be one of education for all students of the University.

Issues Confront The University

While the Homecoming activities were beginning on one side of the campus, the students participating in the War Moratorium reflected a mood quite in opposition to that of the pep rally. All day of the Moratorium the names of the war dead were read in the quad. That evening the crosses symbolizing the dead were burned, beginning the torchlight parade through the campus and city.

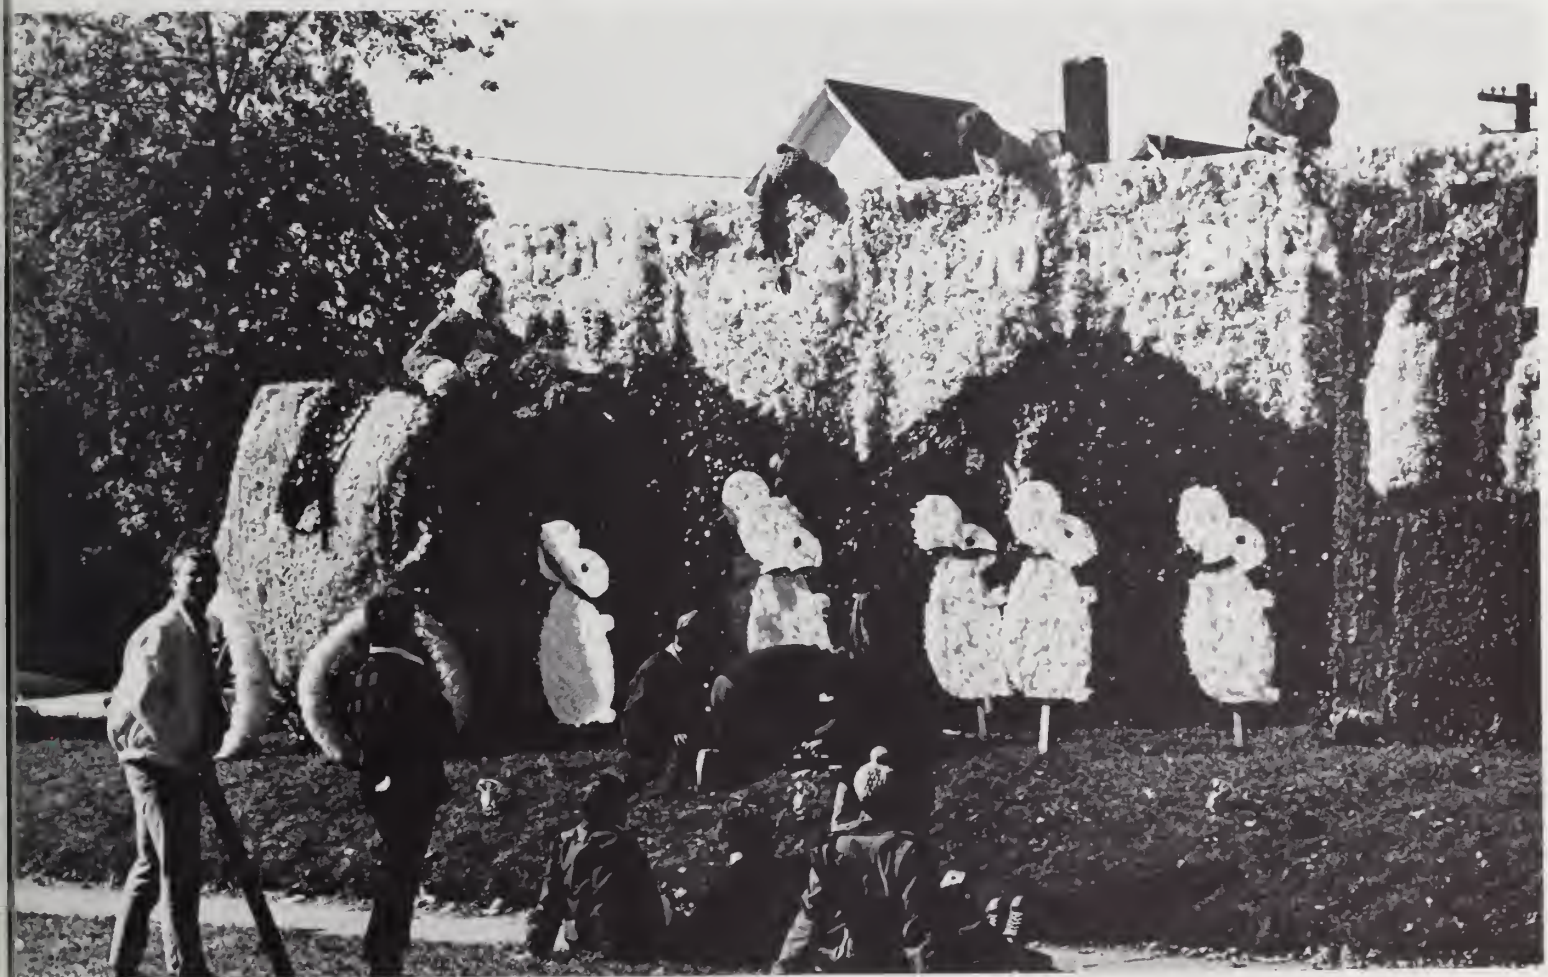

Homecoming Innovations To Improve Attendance And Cooperation

1969 was a year of innovation for practically every aspect of the traditional Homecoming weekend. Men's and women's organizations and dorms combined forces to build better house-decs with a minimum of expense and work and a maximum of fun and cooperation. The Alpha Phi Omega Snake Dance and bonfire pep rally, usually carried out in Bradley Park, was held on campus to promote better student attendance. For the first time, Founder's Day convocation was not required; as a result about 200 of the student body turned out to view the slide presentation of the history of Bradley. The annual Putnam award for teaching excellence went to Dr. Albert Hunsicker.

Captain Hook Steals Tinkerbell and Wins Stunt Show

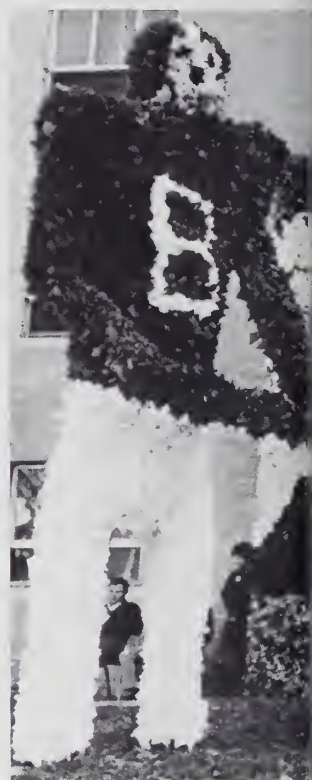

With all the hard work and long hours spent on this year's Stunt Show, the most outstanding accomplishment was that of cooperation. Many new friendships were formed during this opportunity for 26 organizations to work together. For the first time, trophies were awarded immediately after the show, with first place going to "Peter Pan" presented by Sigma Kappa, Women's Dorms, Sigma Chi, Sigma Nu, and Sigma Alpha Epsilon. Lynne Kimoto of Honolulu, Hawaii, was crowned Homecoming Queen in the traditional dance by the Bradley Brave. A transfer student from the University of Hawaii, Lynne succeeds her Beta Beta Gamma sorority sister Aleta You in the role of queen.

Braves Lose To Northmen But Winning Housedecs Score

Even the enthusiasm of the Bradley Brave, Ed Gilbert, could not rouse the football Braves to victory Saturday afternoon. The team's efforts were unsuccessful as the Northmen of Northwood Institute won 35-14. Later that night the efforts of housedec chairmen and their "stuffing crews" were rewarded with honors and trophies at the dance at the Pere Marquette. Lovelace Dorm and Off-Campus Men won the Independent division, while Pi Kappa Alpha took first place in the Greeks. Sigma Alpha Epsilon and Alpha Epsilon Phi combined to take over the highest Sweepstakes award on campus.

Hope Portrays Farce and Faith

Not many entertainers begin with a standing ovation as did Bob Hope when he visited the Bradley "garage" on November 7. And after all was said and done the 7,000 spectators once again rose to their feet expressing not only appreciation for an evening's performance, but also in appreciation for this man's countless contributions overseas as a truly great entertainer.

The Right To Dissent In Own Way Exemplified

With the many national issues stirring the campuses this year Lecture Arts appropriately engaged speakers such as Abbie Hoffman, David Suskind, and Bill Russell, in an effort to provide an opportunity for Bradley students to hear varied philosophies which are the driving forces in the nation today. Hoffman is one of the seven on trial in Chicago as a result of the disturbances at the Democratic Convention in 1968. His talk was cut short by a "stink" bomb thrown in the fieldhouse. The international news commentator, David Suskind, will not soon forget the panel discussion held here on the Viet Nam War. It was obviously difficult for the panel of two professors, three campus leaders, and Mr. Suskind to stay within the limits, since the discussions ranged from the moratorium to Bobby Seale. Bill Russell, former player-coach of the Boston Celtics, impressed it upon the Bradley audience that there is essentially nothing wrong with prejudice; it is the person's reaction to it that is the evil of it. He spoke as a citizen, rather than a former basketball player, and warned that if the society does not change soon it will be too late.

Bradley Quiz Squad Undefeated

For the Bradley Quiz Kids, five months of practice and study paid off in a five-game winning streak that netted \$19,500 in scholarship grants for the school. In defeating George Washington, University of Minnesota at Morris, Cleveland State University, Beloit College, and Johns Hopkins, the team utilized quick recall and knowledge covering the broad spectrum of liberal arts. The hard work was rewarded that November day when moderator Robert Earle handed team captain Ed Wehrli the silver college Bowl championship trophy.

Fall Activities Promote Involvement

The United States was condemned for its actions in Vietnam after a heated discussion in the Model United Nations General Assembly. Thirty-five countries were represented in this student-organized activity, at which Latin America, Biafra, and Vietnam were discussed. Bradley students proved their opposition to bloodshed by the poor turnout at the Student Center Blood Drive. Out of 5,000 enrolled only 240 pints of blood were produced, which amounted to just 5 percent of the students donating to the Red Cross. In its 23rd annual speech and debate tournament Bradley would have placed third in individual events had it been eligible for trophies. The Bradley tournament sponsors contests for about 1,000 participants.

Greeks Turn On In Derbies And P.J.'s

Sigma Chi Derby Day and Lambda Chi Alpha Pajama Races are always popular and well attended events during the year. All the sororities compete in various games and contests in an effort to accumulate enough points to win the Derby Day Championship Trophy. The Lambda Chis include the pledges in their competition. The sororities nominate one girl from their pledge class to vie for the Pajama Queen Crown, while the fraternity pledge classes must compete in a rigorous relay race.

Greek Interests Vary

Two of the more solemn Greek occasions are illustrated here with the return and death of Paddy Murphy and the Alpha Epsilon Pi panel discussion. Paddy Murphy returns each year for the SAE's, only to suddenly die after only a brief stay. The AEPI's sponsored a panel discussion concerning the effects of campus demonstrations and democracy in the U. S. Nearly 400 gathered for the two hour discussion.

University Theatre Offers Diversity

The University Theatre season ended last year with the controversial production of "**Marat/Sade**." The setting for this play is a French insane asylum. Through the various patients, Peter Weiss comments on destructive and hypocritical elements in society that existed not only during the times of the French Revolution, but as director John Clifford points out in his production, exist even today. The season opened this year with a children's Theatre production of "**Winnie The Pooh**" which was performed at Manual High.

Despite Poor Stage: Quality Drama

"Where the routine is prescribed by social laws and carried into validity in the courtrooms, then these laws, must have the credit of conduct." This very precisely sums up one of the major issues brought out in the powerful social commentary of **"Blues For Mister Charlie"** by James Baldwin. **"The Lion In Winter"** proved to be a play "full of strange oaths, Jealous in honour, sudden and quick in quarrel, Seeking the bubble reputation, Even in the cannon's mouth."

Students Display Creativity In Experimentals

Alpha Psi Omega, in cooperation with Tom Joyce's directing class, sponsored three evenings of experimental theatre this year. The productions were completely student operated and produced. For approximately six weeks there was a total of seventeen productions searching for, and rarely finding, adequate space for rehearsals. Rehearsal alone was an accomplishment to be admired. The success of the experimentals was reflected by the box office which turned in a standing room only record. Plays for this year ranged from realistic to protest, to absurd, giving the students more exposure to the various types of drama that exist, more exposure to stage techniques, and needed production experience.

Doing Their Thing

The Student Center Board again sponsored the Coffee House Circuit this year at Bradley. It was welcomed enthusiastically throughout the year. The Circuit began with Mara Loves, a group from the Bitter End in New York City. The Patti Miller Trio followed with an interesting performance. Chuck and Mary Perrin, a local duo, gave renditions of songs from their new album. Dan Gralick, a singer and pianist entertained in the Center on February 27. The McKendree Spring returned to campus this year as a part of this rotating group of entertainers.

**Semester Begins
With Entertainment
For All**

Each year the music department sponsors the experimental workshop under the direction of and in conjunction with Ed Blanchard and his workshop class. Many hours of rehearsal went into this year's serious production of *Slow Dusk* and the lighter *R.S.V.P.* The Lettermen were back at Bradley again, opening the Lecture-Arts program for the second semester. At the end of the two and one-half hour performance, the audience came to their feet demanding even more. The consumer's defendant, Ralph Nader, spoke to Bradley students about "Corporate Responsibility and Consumer Protection."

Earth Day Fights Pollution

Campus activism turned its attention towards the environment and the problems of pollution on April 22. The "Environmental Teach-In" at Bradley was a part of a nationwide observance of Earth Day. Although the activities began long before April 22, with films and speakers in March, the Teach-In itself began the evening of April 21 with an address in the fieldhouse by Victor Yannacone, nationally renowned attorney for the New York based Environmental Defenders, Inc. "Earth Day" activities were centered around panel discussions, films, displays, and speeches. Major addresses were delivered by William Rutherford, former State Director of Environmental Quality, and Dr. Alan Guttmacher, national president of Planned Parenthood Association.

ACADEMICS become a quest for truth

Learning Can Happen Anywhere At Any Time

President Van Arsdale Defining The Challenge Of A Growing University

President Talman W. Van Arsdale, Jr., a man of many facets: husband, father, educator, administrator. At home he carries out the duties of his position that never seem to fit into one normal working day. A daily routine consists of appointments in his office in Swords Hall, and dictation in his home office, at his cherished antique legal desk. Mrs. Van Arsdale, as first lady of the university, is called upon to serve as community worker, hostess, and as all wives are, a sounding board for her husband.

Educated at the University of Buffalo, Pres. Van Arsdale has been both teacher and administrator. Finding the multiplicity of disciplines and students missing

in a small university, and the personal interest lacking in a large university, he has come to appreciate the uniqueness of Bradley. Except for actual teaching, the president would not be happy doing anything else; he is fascinated by the challenge of higher education.

In his position as president of the university, Dr. Van Arsdale sees his job as "coordinating the efforts of those smarter than I am in their individual areas of interest." The fund raising aspect of the presidency is a privilege he loves, for after the completion of the difficult groundwork, he is the person who shakes the hands and accepts the check. Dr. Van Arsdale credits the presi-

dent of his alma mater with being his inspiration and recalls with fondness this man of great integrity who was vitally interested in his students.

The president praises today's university student as being brighter, more mature and more idealistic than the student of his generation. He attributes this improvement to better high school preparation and keener competition.

Sincerely interested in every student, President T. W. Van Arsdale is a warm, friendly man, who has earned respect in every aspect of his life. He is proud to be associated with the challenge of Bradley, "a good university getting better every day."

Dr. Albert Hunsicker Cited For Excellence

Dr. Albert A. Hunsicker, head of the department of psychology, received the 1969 Putnam award for excellence in teaching. The purpose of the award, which consists of a cash prize and a certificate of merit, is to provide stimulation for further growth and development to an outstanding member of the faculty. The criteria for judging the nominees are grouped into categories of teacher ability in scholarship, class planning, communication, evaluation and personal relations. Dr. Hunsicker is a member of learned professional, honor and civic organizations, as well as regional and local professional and community agencies.

Art School Plans

New Fine Arts Center

The School of Art has recently announced plans to move from Duryea Hall to a new fine arts center in Hewitt Hall. The school, under the direction of Prof. Robin Mayer, offers courses in advertising art, ceramics, art history, painting, print-making, design and sculpture, and displays a permanent exhibit in Duryea Hall.

Business Students Prepare For Changing World

Dr. William Clarey, dean of the college of Business Administration, feels the main goal of the college is to develop in the student an ability to analyze problems. For this reason, all students are required to complete at least half of their courses in Liberal Arts to provide a broad background in preparation for the ever-changing environment. In addition, various additions have been made to the curriculum in areas including economics, accounting and finance.

Bradley Famous For Engineering And Technology

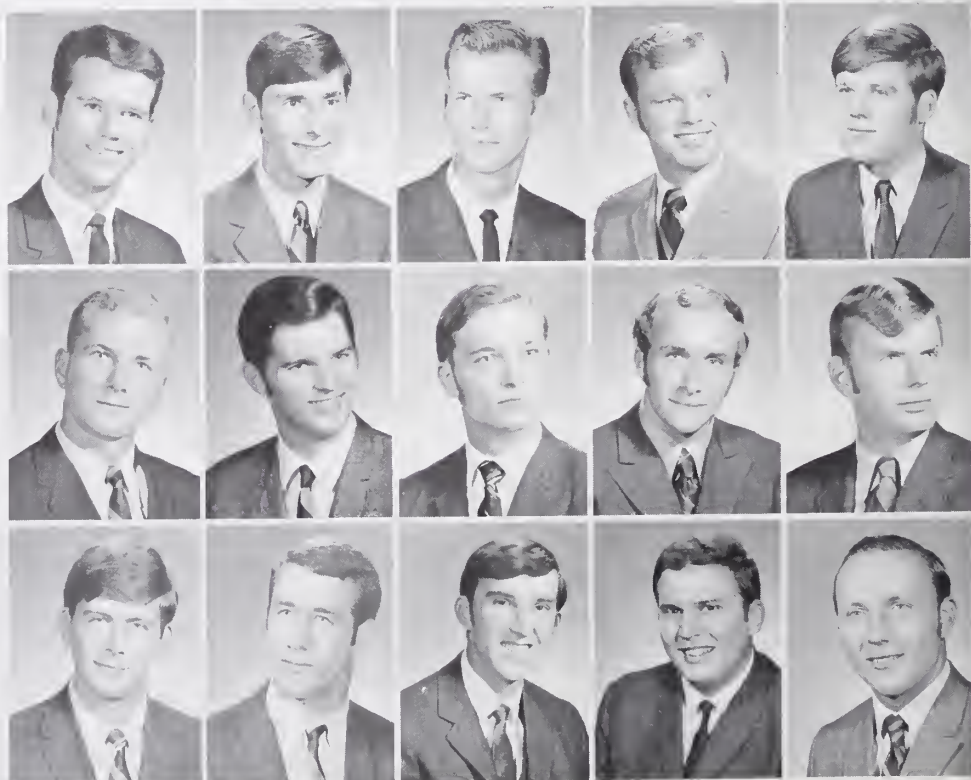

The programs in the College of Engineering and Technology, according to Dean Martin Abegg, are "as good as any in the country." The college offers degrees in civil, electrical, mechanical and industrial engineering, as well as a complete technology majors program. A human factors laboratory gives engineering students practical experience in analyzing man-machine relationships.

I.S. Students Contend With World Problems

The School of International Studies owes its existence to its founder and director, Dr. Nicholas Nyaradi who, in 1957, established the first discipline of international relations on an undergraduate level in the United States. The purpose of the school is to prepare its students for careers in international relations and to provide for the opportunity to gain a better knowledge of current world affairs.

Liberal Arts And Sciences Expands Facilities

The purpose of the College of Liberal Arts and Sciences, according to Dean Jerome H. Manheim, is "to awaken and nurture curiosity, to develop critical thinking and to instill the love of learning." The college is the largest in the university; and there has been marked physical expansion. In addition to the new facilities for biology, chemistry and physics in Olin Hall, the two new wings of Bradley Hall will be completed by the summer of 1970.

SPORTS provide increased participation, tough competition

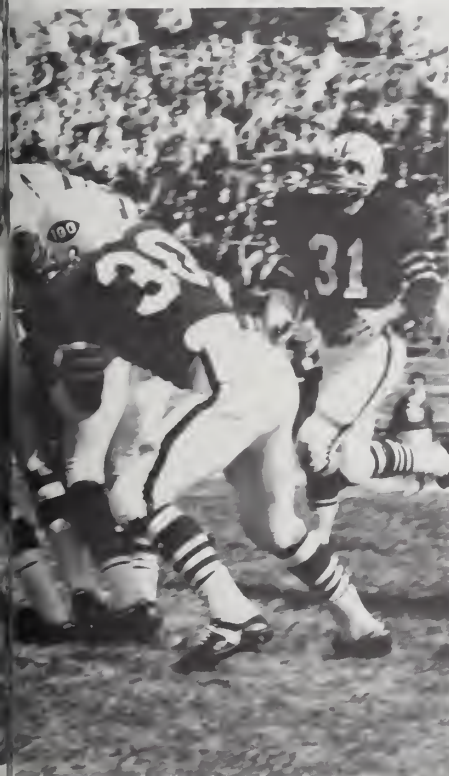

Braves Kickoff With Great Optimism

On the credit side of Bradley Football ledger enter one victory and only four seniors graduating. On the debit side, enter eight defeats, the availability of only a handful of scholarships and the absence of a quarterback. According to coach Billy Stone, everything will depend as it does every year on the number of key injuries incurred.

RIGHT: The Bradley blitz proves successful as one Brave lineman throws Western Illinois for a loss. ACROSS: Jim Wienstien appears to be giving the ref a hand in keeping his eye on the ball.

Injuries End Hope For A Winning Season

The Braves who ended their season with a 27 - 7 loss at Illinois State, will have a new quarterback next year. Larry Selinger and Tim Ellis both graduate. Others graduating are flanker Tim Rassi and guard Norb Pierce, the team captain. With most of the team returning, Stone has high hopes for a good season next year and a prayer for a new quarterback.

Braves Football Spirit Gives Hope For Next Season

Seldom in athletics has so much been accomplished with so little. Bradley football has no mass scholarships, no athletic dormitory, and no stadium. Bradley does have only two assistant coaches, no depth in player personnel, and no spring practice. The 1969-70 squad's 1-8 record reflected how little the team had to go on. But, the spirit was still there and 16 of this year's 22 lettermen will be there when the grid season opens next fall.

Hockey Club Tries For Varsity Status

In its second year, Bradley's Hockey Club made a concerted effort to become a recognized varsity sport. Although lacking financial support from the university, the team played well against established schools, and inspired hope in team members and fans alike for varsity status and financial sponsorship for next season.

And The Going Gradually Gets Tougher

Bradley's basketball Braves opened the 1969-70 season with a 107-67 romp over the University of Texas at Arlington. Five wins later, the Bradley squad received its first home loss in sixty games, falling to Murry State, 72-60. The next week saw Bradley on a road trip that took the Braves to a third place finish in the Utah Classic, a 101-78 loss to Tulsa's Golden Hurricanes in the Missouri Valley Conference opener; and an 89-60 loss to the St. Louis Billikens.

TOP RIGHT: Center Gene Gathers gathers in rebound from above. FAR RIGHT: Forward Joe Lewis goes high to claw at rebound as Northern Michigan cager watches from comfortable spot on the floor. BOTTOM CENTER: Criddle pulls ahead of the pack and goes all the way.

Braves Gel At Mid-season

Three days later, the Braves bounced back with a 91-74 home court victory over the West Coast Athletic Conference's Pepperdine College. With senior starters Cal Criddle and Tom Campbell sitting out a one-game suspension, the team journeyed to Wichita, where Bradley uncorked one of the most surprising upset victories of recent years by downing the Shockers on their own court 89-80. The fired up Braves put the game away with less than two and a half minutes remaining when Rohlman, playing with the high post, hit Gathers underneath for three consecutive baskets and the Braves first MVC win of the season. Bradley continued to improve its MVC standing by toppling both North Texas State and Memphis State in two consecutive Fieldhouse events. The next contest witnessed Drake slipping by a poor shooting Bradley team in one of the most heavily defensive conference games of the season. The Robertson Fieldhouse crowd of over 7,000 saw the Braves battle Bulldogs to a 27-27 tie at the half, but, in the opening minutes of the second period, Bradley went cold, allowing Drake to pull ahead and take the crucial MVC match 65-55.

Braves End Season

MVC Title-maker

After the poor showing against a strong Drake squad, the Braves bounced back two nights later to give U.C.L.A. some of the toughest competition it had seen in years. The road trip took the Braves first to Cincinnati and then down to Louisville. During semester break, the Braves returned from their disastrous road trip to face Wichita State and Tulsa. But, the home-court advantage did not come through, and the long dry spell continued on the road matches against MVC leader Drake. The Braves fared better on their swing down to Memphis State as they broke the losing streak with a decisive victory. After losing to North Texas on the road and defeating St. Louis at the fieldhouse, Bradley found itself out of the top echelons of the MVC, but in the position of a title-maker. In a spectacular home performance, the Braves downed Cincinnati 87-83, thus assuring Drake the Valley title. NIT-bound Louisville was next on tap a Robertson, and the Braves were equal to the task. The 72-67 Bradley victory dropped the Cardinals to a third place MVC finish and left Bradley fans with a rosy picture for the future.

It Takes More . . .

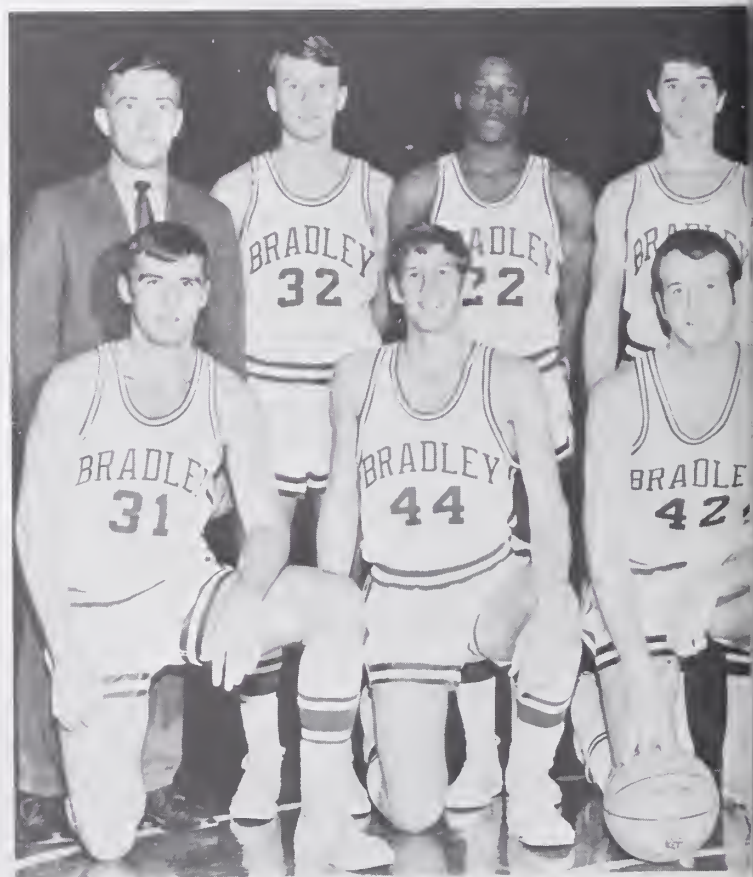

In 1965, a Bradley University graduate returned to become head basketball coach. Now in his fifth year as coach, he has run up a 72-36 record in four varsity seasons. He has taken teams to four tournaments including one appearance in the NIT. The man is Joe Stowell; his job, basketball. A job that has made his name synonymous with winning. Basketball takes a great deal more than just a coach to win. It takes hours of tireless effort in practice sessions; it takes a kind of inborn drive to succeed and an unquestionable school spirit to back up the team. All this produces the spirit to win and the team to do it.

After Slow Start Yearlings Hit Stride

Bradley Freshmen split the season, with a one game edge putting them in the winner's column, as Coach Ron Harris put this year's Papooses through their paces. This year's schedule was a tough one, as the Papooses faced the frosh from Louisville, SIU, Drake, Notre Dame, and St. Louis, but near the end of the season it was apparent that what had been just raw talent had been molded into a team as the frosh downed four out of their five opponents.

Tankers Second In Valley Swim Meet

Bradley Tankers broke four records in the 34th annual Missouri Valley Conference swimming championships, while the team sailed to a second place finish. Rick Goff covered the 200-yard butterfly in 1:59.2 for a conference record and raced through the 100-yard butterfly in 53 seconds. Two more records were broken as Tom Carney swept through the 200-yard freestyle in 1:51.3, and Dick Swisher stopped the clock at 1:06.2 in the 100-yard breast-stroke.

Bradley's Soccer Takes Upswing This Season

Soccer's future at Bradley University took a tremendous upswing in the semester just completed. Although the final count shows two victories, four losses and a tie, it has to be counted as a successful campaign in player development. This was the third year of competition for the team. According to coach John Kenny, "we did very well this season, I was impressed with the younger players." Kenny did a masterful job and he'll have the material to start a fast clip next year.

A Dismal Finish To a Dismal Season

This year's Cross Country Team compiled a disappointing record for the season, finishing in last place in the Missouri Valley Conference. It is hopeful that next year's "lonely runners" will have a better season.

Despite Tough Competition Track Team Breaks Records

Although not a winning season due to tough competition, Bradley trackmen were able to come up with an easy victory over Augustana and Valparaiso and a second place in a triangular meet with Minnesota and Northwestern. Despite their losses, seven Bradley track and field records were broken. Outstanding harriers were Bill Johnson and Randy Crady. Johnson holding the Bradley record for one, two and three — mile events and Crady took the record in high jump and was also a winner in MVC competition.

Graduation and Tough Competition Hinder Linksmen

Coach Jim Spink is trying to smooth out some of the rough edges this season after losing his number one and three men through graduation. Although hampered by the loss of their seniors, the golf team did manage to win the MacMurray Invitational. An outstanding performance was given by Bill Bannon representing Bradley in NCAA competition at Colorado Springs. Coach Spink is whipping the squad into shape and is confident of a promising new season.

Netters Finish Season Second In The Conference

1969 was another successful season for the Bradley Tennis Team. Coach Coker's netters played an impressive season, remaining undefeated until the final week of competition. Bill Lofgren was the highlight of the team with his second consecutive undefeated season leading the netmen to a tie for second place in the conference. Coach Coker views next year's season with optimism, losing only one from the second place squad.

Baseball Team Encounters Letdown After Last Year's Win

Bradley's Baseball Team returned this year to make a still impressive victory in the MVC Eastern Division. Although the teams 12—6—1 record was a let-down from the previous season, Bradley did manage to have Abe Banko as conference All-Star, and Tom Hubbard made Topps district five all district. Coach Leo Schrall attributed the season losses to a young, inexperienced squad. Schrall is eagerly looking forward to '70 since he will have the majority of his starters returning.

AEPi Tops LCA For Title

Scoring their second major championship in succession, the men of AEPi captured the IFC softball crown with a 5-3 win over LCA. The champs reached the finals on the strong pitching of all-IFC standout Marc Gellerman. DU won the third-place consolation game over ZBT in the battle of the league runners-up, with a score of 7-4.

Sigs Climax IFC Hoop Season

Despite SAE's domination of regular-season play, Sigma Chi won the IFC championship by downing Sigma Phi Epsilon in the playoff finals. SAE took third place honors, topping LCA in the consolation game. The playoffs marked the end of another exciting IFC season. Perhaps the highlight of the year came when the IFC all-stars sent the Bradley freshmen into overtime before falling, 94-92.

Greeks Show Spirit In IFC Competition

The responsibility for developing and sustaining competitive spirit is a daily job. Providing the impetus for this team effort is not an easy task. The job is even harder when you consider most people can't even get aroused enough by our national anthem to salute the flag. However, lack of spirit does not apply to the IFC and IFC intramurals. Here is where the true spirit of fraternalism and "house spirit" show. If you're a greek, whether on the field or off, you're out there playing each second of the game with your brothers. The only way to maintain this is by being patient, persistent and putting out that extra effort.

Dormitories Show Diversified Interests

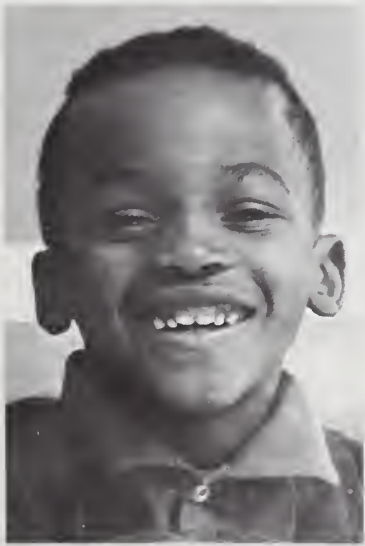

Dorms Sponsor Annual Christmas Party

Each year the dorms contribute Christmas cheer to underprivileged children in the community. This year the cheer came in the form of treats, presents, and special entertainment sponsored by Alpha Psi Omega. Each dorm volunteer acted as a big sister or brother for each child. The satisfaction the students receive more than repays them for their donations of time, money, and sincere efforts.

GOVERNMENT

CAMPUS COMMUNITY COMMISSION, *Sitting*: Dean Camille Primm, Dean Edward King, Mr. James Fussell. *Standing*: Mike Rose, Carol Hennessey.

SENATE, *Sitting*: Willie States, Jacie Levy, Gail Samos, Sue Mehrings, Joe Gibson, Jan Frageman, All-School Treasurer Tom Kuhl, All-School Vice-President Nancy Grimm, All-School President Jim Gitz, All-

School Secretary Wanda Siegfried, Tom Lipsitz, Mary Ann Young, Annette Eckert, Susi Harris, Terry Sharp, Charles Rhodes, Pat

Campus Community Commission makes the final decision on campus problems affecting social and academic affairs. After this year it will be known as the Campus Activities Advisory Board and will review academic and non-academic affairs if the administration requests it. **Associated Women Students** acts as a disciplinary committee for all women living in university housing. The group is composed of a girl from each dormitory and sorority house. Bradley University's **Student Senate** acts as a representative council for the students. This year the changes initiated were extension of women's hours and sponsoring of the co-op book store. In addition to these changes an extension of the drop-add date for classes was proposed, and proposal of a pass-fail grading system which was referred to the university senate.

ASSOCIATED WOMEN STUDENTS, *Front Row:* Linda Michelson, Bonnie Hinds. *Second Row:* President Sherry Kolker, Secretary Gail Brinkworth, Susan Egizii. *Back Row:* Shirley Walz, Barbara Mendl, Susan Garner, Dorothy Coover, Becky Carrara, Sue Clarey, Carol Hennessey, Fiona Nelson-Hawkins.

O'Grady, Harry Peltz. *Standing:* William Dunlap, Jeanne Scott, Paul Remack, Dick Mullendore, Keith Knapp, Jim Ascot, Eric Arnold, Neal

Ruchman, Galen Reser, Brad Rotholz, Randy Smith, Dan Felean, Chris Hintz, Jeff Owens, Marc Gellerman, Dr. Brenden Liddell.

SOPHOMORE CLASS OFFICERS: Secretary Susie Covert, President Willie States, Treasurer Luis Castresana, Vice-President Linda Russel.

FRESHMAN CLASS OFFICERS: President Jim Ascot, Treasurer Xcylur Stoakley, Vice-President Barb Ardapple, Secretary Carol Burrows.

JUNIOR CLASS OFFICERS: President Jeff Owens, Vice-President Steve Whittert, Secretary Cheri Nordenberg, Treasurer Bob Edgerton.

SUPREME COURT: Howard Loiterstein, Dana de Windt, Morris Kleiner, Chief Justice Jerome Aniolowski, Robert Boll, Michael Closen.

Trials for those students involved in the "Student Center incident" has played a major role in the activities of the **Supreme Court**. Seven appointed students serve as the judicial branch of Bradley's Student Government. The Supreme Court handles all cases involving violations of the University rules concerning motor vehicle regulations, elections, social activities, and cases involving disciplinary rules.

SENIOR CLASS OFFICERS: Treasurer Lin Brady, Secretary Linda Soll, Vice-President Judy Miller, President Keith Knapp.

ALL-CAMPUS ACTIVITY GROUPS

STUDENT CENTER BOARD, *Sitting*: Program Director Mrs. Roberta Applegate, Sue Rehmer, President Carol Hennessey, Vice-President Mike Rose, John McGary, Linda Crane. *Standing*: Secretary-Treasurer

Sandy McGiff, Faculty Advisor Dr. Steiner, Dave Bernard, Rich Collins, Alison Steneck, Scott P. Grandon.

Student Center Board is responsible for sponsoring various activities for the student body. Events this year were movies, coffee hours, and blood drives. Besides planning these events the board oversees the workings of many committees. **Campus Carnival Steering Committee** is responsible for laying the basic groundwork for Campus Carnival. The various committees organize the booths, parade, queen and king contest, and auction. This year's committee successfully organized "Bradley's Bigtop Benefit" into an enjoyable event for everyone. The **Homecoming Steering Committee** must begin planning events early in the spring for a successful fall homecoming. This year's committee planned a weekend filled with events including the Fifth Dimension concert.

CAMPUS CARNIVAL STEERING COMMITTEE, *Sitting:* John Nyaradi, Jim Linn, General Chairman George Shaw, Bill Ducett, Mary Raynett, Gayle Satterfield. *Standing:* Al Cobetto, Rich Buckner, Marty Johnson, Don Holton, Wanda Siegfried.

rence, General Chairman Rich Buckner, Judy Miller, Bill Blum, Tony Sturniolo.

MODEL UNITED NATIONS STEERING COMMITTEE: Rick Frederics, William Dunlap, Chris Hintz, Chairman David Popovich, Barbara Stevens, John Nyaradi, Rich Collins.

RADIO BOARD OF CONTROL: Edward Staley, President Frank Randall, Secretary Sue Mehrings, Donald Markley, Michael Closer.

In an effort to create increased interest in foreign affairs the **Model United Nations Steering Committee** plans its semi-annual General assembly. The committee is responsible for preparing an agenda, selecting officers, and obtaining guest speakers.

Radio Board of Control is a group of concerned students and faculty members governing the operations of WCBU, Bradley's campus radio station. It is the responsibility of this group to supervise the personnel, management and development of the WCBU Radio Station.

Obtaining known groups and speakers for the Bradley campus is the responsibility of a group of students and faculty known as the **Lecture-Concert Committee**. Personalities visiting the campus this season included such renowneds as: Bob Hope, David Susskind, Ralph Nader, and the Blood, Sweat, and Tears. Acting as an advisory committee to the Scout and the Anaga, the **Publications Board** assists in the selection of editors, business staff, and in the planning of new budgets. Reorganized into the Publications Council, it now allows student assistance from the journalism department.

LECTURE-CONCERT COMMITTEE: Larry Gardner, Cathy Schuessler, Joan Cuyjet, William Ward, Suzanne Stein, Judy Miller.

PUBLICATIONS COUNCIL: Scout Advisor Jack Fought, Anaga Advisor William Steiner, Mike French, Chairman Bob Schafer, Jack Carey, Bill Cole.

"Theatre is a most complicated piece of machinery. It is a place of awe and wonder. A place where a group of dedicated artists work together and create together, a place where there must be constant communication among everyone involved. It is a place where — in order to be successful — everybody's contribution is not only necessary but vital." — Theoni V. Aldridge

Alpha Psi Omega is the national theatre honorary fraternity that recognizes outstanding students who have contributed to the University Theatre. Membership is determined by grades and participation. This year, in cooperation with Tom Joyce's directing class, Alpha Psi Omega sponsored the experimental theatre. The productions were completely student produced and operated. SCOUT

Tuesday nights . . . too many people in the office, too few stories turned in, not enough space on the front page, commotion in the darkroom when things don't work out just right, that's what the Scout was this year. But it was more than chaos . . . there was order . . . a deliberate effort to move from a bulletin board to a newspaper . . . more pages . . . an effort to get into closed meetings . . . and yet, there was more . . . the all-nighter putting the Moratorium coverage together, the empty office after Tuesday's rush, the pride in a good product, and the knowledge that something better could be done.

Scrapbook Staff Recreates Year

A handful of common everyday laborers working under the watchful eye of a Simon Legree organize an idea into a reality. An ever-present camera and pounding typewriter capture the people, places, and events of the campus, and recreate another memorable Bradley year. An inventive, productive staff combines hard work with many laughs to meet a final deadline, relieved that the pressure is over but left with a sense of accomplishment to fill their now empty free time. The 1970 ANAGA, a cosmos of pictures and words, is created.
